PROVIDER TYPE 32 NO AUTHORIZATION REQUIRED FOR INITIAL INDUCTION CODE (H0016)

MARCH 20, 2019

In an effort to ensure that members are receiving the appropriate care and limiting the administrative burden to providers, the Department has lifted the authorization requirement for SUD provider type 32 for the induction code, H0016. Providers are now able to begin immediate induction for MAT services and receive reimbursement. Providers will still need to complete their authorization for on-going therapeutic and MAT treatment.
