

## PROVIDER ALERT

### OMHC AND RENDERING PROVIDER BILLING

**APRIL 26, 2019**

---

**Update to previous alert:** As of June 1, 2019, OMHC providers must report the rendering provider on their billing. The Department has received a number of inquiries as to how this should be noted in the electronic claim. Per Beacon's EDI Department:

For a Professional claim (HCFA 1500) providers need to submit the rendering provider name and NPI in the 2310B loop in the NM1\*82 segment. For an Institutional Claim (UB) they would submit it in the 2310D loop in the NM1\*82 segment.

Please also note that at the present time a rendering provider cannot be entered via the Direct Claim Entry Portal on ProviderConnect. We are working to update that. Providers will need to submit a batch claim, a paper claim, or work with a clearinghouse to send in an electronic claim.

Paper claims should be sent to:

Beacon Health Options  
Claims Department  
P.O. Box 1850  
Hicksville, N.Y. 11802-1850
