

PROVIDER ALERT

June 21, 2010

Family Psychotherapy without Patient Present (90846) Clarification

Two 90846 services are included in the OMS authorization for 150 units of service. Additional 90846 services may be requested and authorized if clinically indicated. The additional services will be added to the current OMS authorization and will expire at the end of the six-month authorization span.

90846 services are limited to 4 per year for non-OMS providers and/or consumers. Additional 90846 services may be requested and authorized if clinically indicated.
