COMMON PROVIDER AUDIT FINDINGS

In response to provider requests, the ValueOptions® Maryland Quality Management Department has compiled a list of common audit findings based on the OMHC and PRP audits conducted between September 1, 2009 and March 31, 2010.

The document is posted on this website, <http://maryland.valueoptions.com>, For Providers, Provider Information, Compliance.

We hope providers find this information useful and welcome comments or questions.
