Dear Health Care Provider,

You are receiving this survey request from the Health and Medical Services Workgroup of the Maryland Commission on Autism. The workgroup is gathering information regarding the care of children and adults, in the state of Maryland, diagnosed with Autism. This short survey should take less than 10 minutes of your time, and will help us to meet our mission of establishing guidelines for early diagnosis, family support, and care coordination for the management of Autism and co-morbid conditions tailored to the needs of primary care physicians. The workgroup thanks you in advance for your responses. Feel free to visit the MD Commission on Autism website <http://dhmh.maryland.gov/autism/index.html> to get more information regarding our efforts

Here is the survey link and introductory paragraph to include in your email:
