

PROVIDER ALERT

February 9, 2011

Provider Report Enhancement

We are pleased to announce that, in response to provider requests, the report available through ProviderConnect titled **“MD Claims Detailed Data Set –Denied Only”** will be enhanced/revise, effective April 18, 2011.

In addition to the information currently available, the associated HIPAA Codes will be added to the report. These new fields will be added to end of the current report. See below.

Allowed Amount	OHI Paid	Paid Amount	Units	Adjudicated Program Code	Code 1	Remark 1	Code 2	Remark 2	Code 3	Remark 3	Code 4	Remark 4	HIPAA_1	HIPAA_2	HIPAA_3	HIPAA_4
----------------	----------	-------------	-------	--------------------------	--------	----------	--------	----------	--------	----------	--------	----------	---------	---------	---------	---------

Please review any electronic remittance processing that your organization may have. A complete narrative description of the HIPAA codes can be downloaded from our website, <http://maryland.valueoptions.com>, for Providers, Provider Information, and Claims/Finance. The direct link is http://maryland.valueoptions.com/provider/claims_finance/HIPAA_Codes_and_Definitions.pdf.

Providers receiving this Alert via email will have both the PDF and Excel versions of the HIPAA Code descriptions. Others may request an Excel version by contacting Candace.king@valueoptions.com.
