

## **PROVIDER ALERT**

**3-2-11**

### **New Report Available Long Term Care Span Report**

**The report represents long term care spans based on the Medicaid eligibility file. Providers may use this report to determine when they should bill for a consumer with a long term care span in place.**

**This report is available through ProviderConnect reporting. The report is called: "74142.4.01 – LTC Spans".**

**Additional training on Reports available through ProviderConnect will be coming soon. Please see the training schedule on the ValueOptions Maryland website.**
