

PROVIDER ALERT

CORRECTED VERSION

BILLING FOR CPT CODE 36415 -- OMHCS

June 1, 2011

There has been a recent change in payment methodology for CPT-4 code-- 36415, Routine Venipuncture. In order for an OMHC to be properly reimbursed for this service, you must bill this code with an "HW" modifier effective 6/15/11. Independent laboratories will continue to bill without the modifier.
