

PROVIDER ALERT

QUALITY INCENTIVE PROGRAM (QuIP) REMINDER

AUGUST 1, 2012

The Quality Incentive Program (QuIP) is now in its Foundation Phase (July 2012—December 2012). During the Foundation Phase all OMS providers are highly encouraged to enroll in QuIP. Enrollment is simple. Just develop a Quality Plan and complete the Enrollment Form (see information below).

Once enrolled, providers will be contacted and given information on how to access the two new management reports developed exclusively for QuIP enrollees. One report provides “real-time” inpatient admissions information; the other provides historical information on consumer Emergency Room visits.

Enrollment and other documents concerning QuIP are available on line at:
http://maryland.valueoptions.com/provider/prv_info.htm .

The documents posted online include the following:
