

## **PROVIDER ALERT**

### **HURRICANE SANDY UPDATE NOTICE FROM MEMA**

**DECEMBER 7, 2012**

If Hurricane Sandy caused significant costs related to debris removal, emergency protective measures, or damage to facilities, you may wish to attend an Applicants' Briefing to learn more about the Public Assistance program and the application process. Please read further for more information.

#### **RE: FEMA-4091-DR-MD - Disaster Declaration for Public Assistance - Applicants' Briefings & Materials**

Applicants' Briefings for the Public Assistance Program for Presidential Disaster Declaration (FEMA-4091-DR-MD) as a result of Hurricane Sandy have been scheduled. Please see the attached revised schedule. It is encouraged that all eligible applicants attend a briefing, but attendance is not mandatory.

Briefings have been scheduled for the majority of the counties/jurisdictions that were included in the original declaration. MEMA will continue to schedule briefings as counties are officially included in amendments to the declaration for Public Assistance.

NOTE: Prince Georges, Anne Arundel and Cecil Counties have now been added to the Declaration.

Enclosed are the reference materials that will be handed out at the Applicants' Briefing as follows:

- a. Schedule - Applicants' Briefings
- b. Declaration - (FEMA-4091-DR-MD)

- c. Request for Public Assistance (RPA)
- d. PNP Facility Questionnaire

The most important document is the Request for Public Assistance (RPA) form. In order to be considered for reimbursement from FEMA, you must first complete the RPA form and submit it to Ms. Kelly Devilbiss, MEMA (office information below). Please be reminded that the **RPA must be submitted** to her attention within 30 days from the declaration (**deadline is 12/20/2012**) if you wish to apply for reimbursement through the Public Assistance program.

If you have any questions and/or concerns, please do not hesitate to contact:
