## The New CPT Code Changes and the Maryland Medicaid Account

### Join us for a Webinar on December 19

Annually, in October, the American Medical Association defines and releases a new set of Current Procedural Terminology (CPT®) codes. This new code set takes effect on January 1, 2013. This year's code set has several significant changes that dramatically impact mental health provider billing. Many codes were either deleted or modified. ValueOptions will be offering a brief presentation and question and answer period to assist providers during this time of transition.
