

PROVIDER ALERT

CPT CODES 90837/90838

JANUARY 24, 2013

The ValueOptions claims system has been adjusted so that the new CPT codes, 90837 (60 minute psychotherapy) and 90838 (add-on code to an E&M code for 60 minute psychotherapy), billable by OMHCs only, are included in the OMS Bundle. We will be reprocessing any claims inadvertently denied for “no authorization” related to this issue within the next two weeks.

We regret any inconvenience.
