

## **PROVIDER ALERT**

### **PSYCHOLOGY ASSOCIATES THIS IS NOT A CHANGE IN POLICY.**

**JULY 30, 2013**

Psychology Associates ARE NOT reimbursed for psychotherapy services under the public mental health system. The Mental Hygiene Administration will only reimburse Psychology Associates for psychological testing that is performed under the supervision of a Psychologist.

Psychologists should bill CPT code 96101 for this service listing the number of hours (up to 8 hours) in the “units” box. Psychology Associates should bill CPT code 96102 listing the number of hours (up to 8 hours) in the “units” box. The attached PMHS Reimbursement Schedule has been adjusted to show the revised wording for the code. Only Psychologists and Psychology Associates may bill for psychological testing.
