

## **PROVIDER ALERT**

### **REGIONAL FORUM WEBINAR: MEDICAL RECORD DOCUMENTATION INCLUDING E&M CPT CODES**

**AUGUST 9, 2013**

In July, ValueOptions held a series of Regional Forums on medical record documentation and ways to avoid common audit findings. The Forums also included the review of the changes to CPT codes associated with the 2013 move to E&M codes for doctors and nurse practitioners. Due to very high demand, we had to close one of the sessions and we have had a number of providers ask if we were going to hold another forum. We will be conducting this same Regional Forum via webinar. **(This program is the same as the ValueOptions July Regional forums)**

Please see the link below to register for the Forum.

Also be on the lookout for the ValueOptions August Regional Forums that will include an introduction to Integrated Care, Human Trafficking, Maryland Coalition on Sexual Abuse and the Maryland Veterans Program.

We hope to see you soon.

## Medical Record Documentation Including E&M Codes

### Join us for a Webinar on August 19

The session will include a review of medical record documentation requirements and ways to avoid common audit findings. New this year will be a review of the changes to CPT Codes associated with the 2013 move to E/M codes for doctors and nurse practitioners. This is a webinar based presentation of the information presented during our July, 2013 forums. Please note - we will be reviewing the documentation requirements for individual and group practitioners during the first two hours. The last hour will be devoted to discussion and review of the E & M codes.
