RE: Provider Feedback on Transition to Accreditation

DATE: December 6, 2013

In anticipation of moving towards an accreditation model, the Behavioral Health Administration/MHA anticipates that some providers will need technical assistance in becoming accredited. To identify these needs, a short survey was developed. Based on the results of this survey, we will develop a technical assistance plan for the State.

All providers are being asked to complete the survey by **Friday, December 20, 2013**.

Instructions to Start the Survey: Ctrl + Click link below
