

PROVIDER ALERT

VALUEOPTIONS CHECK RUN (WEEK OF 10-13-14)

OCTOBER 17, 2014

Due to the Holiday, Columbus Day, banking institutions were closed. ValueOptions has processed a second check run this week on October 16, 2014 and payments should be made to direct deposit accounts early next week. Paper checks will also be mailed out. We apologize if we have caused any inconvenience.

Providers are reminded to enter their claims, whether electronically, through the ProviderConnect portal or otherwise as timely as they can before our weekly processing. Though we try our best, ValueOptions cannot guarantee claims payment for providers entering claims in the immediate days before a check run cycle.
