

PROVIDER ALERT

RESIDENTIAL REHABILITATION PROGRAM ADMINISTRATION CHANGES

JULY 14, 2014

The Behavioral Health Administration and the Maryland Association of Core Service Agencies have updated the administrative forms to be used for applying for Residential Rehabilitation Program (RRP) services. These forms are to be completed by the referral source in conjunction with the applicant and sent to the Core Service Agency of the county where applicant is a resident (see instructions). The instructions do not need to be sent with application. All other versions of the RRP application will no longer be accepted.

The attached forms are:

1. Instructions for completion of the new Residential Rehabilitation Program (RRP) application
2. Residential Rehabilitation Program Application
3. Release of Information Form for the RRP application
4. DSM- 5 Priority Population/Substance Use Disorder List
5. Medication Check List

Please start to use these forms immediately. If you have any questions or require any additional clarification, feel free to contact Russell Springham, Case Management & Housing Coordinator, BHA at 410-402-8351 or russell.springham@maryland.gov.
