RESIDENTIAL REHABILITATION PROGRAM
APPLICATION FORM INSTRUCTIONS

Residential Rehabilitation Program (RRP) provides housing and supportive services to single individuals. The goal of residential rehabilitation is to provide services that will support an individual to transition to independent housing of their choice. Residential Rehabilitation Programs provide staff support around areas of personal needs such as medication monitoring, independent living skills, symptom management, stress management, relapse prevention planning with linkages to employment, education and/or vocational services, crisis prevention and other services that will help with the individual's recovery.

Please see the enclosed Residential Rehabilitation Program (RRP) application.

- It is ***recommended*** that the mental health professional and/or mental health provider who works most closely with the applicant complete the application.
- Applicant must sign the RRP Consent For Release of Information Form
- ***Medical Necessity Criteria must indicate why the applicant cannot function independently in the community with other mental health services. There are two levels of care which an applicant may apply: Intensive or General. The application will not be reviewed by the CSA if the Medical Necessity Criteria is incomplete or has not been met.***
- Priority is given to ***in-county residents***. If the applicant wishes to be referred to another county's RRP, **please state no more than three (3) specific jurisdictions** on the RRP Consent for Release of Information Form.
- If the applicant needs a ***specialty service***, please review the following grid to determine that service:
