The original meeting was scheduled for tomorrow, Thursday, January 22, 2015. The meeting has been rescheduled—please see below:

Maryland's Commitment to Veterans, a program under the Department of Health and Mental Hygiene Behavioral Health Administration, will host its first Veteran Behavioral Health Stakeholder Roundtable on Tuesday, 24 February.

The purpose of the group is to identify challenges and solutions jurisdictions have helping veterans access behavioral services either through the state, community or US VA Health Care System. The Veteran Behavioral Health Stakeholders Roundtable (VBHSR) will allow jurisdictions throughout the state the benefit of brainstorming with each other. A critical part of the discussion will focus on the coordination and delivery of behavioral health services for veterans and on how local communities can partner with the US VA Health Care System to deliver services. Representatives from the Baltimore, DC and Martinsburg VA Medical Centers are invited to attend as well.

At this time, we would like to take to opportunity to invite you or a representative from your organization to be a part of the Veteran Behavioral Stakeholders Roundtable on Tuesday, February 24th 10:00 a.m. – 3:00 p.m. at Spring Grove Hospital inside the Dix Building basement.
