

PROVIDER ALERT

SUBSTANCE USE DISORDER PARTIAL HOSPITALIZATION PROGRAMS

MARCH 10, 2015

For dates of services beginning **March 7, 2015** Provider Type 50 programs that are OHCQ certified to provide partial hospitalization services (PHP) who deliver PHP services for 6 hours or more per day can bill for a full day of PHP.

All PHP services must be authorized by ValueOptions.

Providers may bill for a full day of PHP by submitting a claim using the H2036 code with a billing modifier of 22. This service (H2036/22) requires six (6) or more hours of PHP service to qualify as a full day for PHP on the day billed and is reimbursed at a rate of \$210.00 per diem.

Providers should use H2036 for days on which less than six hours of PHP service is delivered and will be reimbursed at a rate of \$130.00 per diem.
