OUTCOMES MEASUREMENT SYSTEM (OMS) INTERVIEW TRAININGS

JANUARY 18, 2017

The Behavioral Health Administration (BHA), in collaboration with Beacon Health Options, is offering a brief training on "How to Administer the Outcomes Measurement System (OMS) Interview". The training will be especially useful for clinicians who are either fairly new to the Public Behavioral Health System or for those who may want a refresher on the OMS Interview administration process.

The Beacon trainings will be as follows:

- Tuesday, January 24, 2017 from 2-3:00 pm [Register](#)
- Wednesday, February 1, 2017 from 10-11:00 am [Register](#)
- Tuesday, February 7, 2017 from 10-11:00 am. [Register](#)

Please feel free to register for any one of the above trainings. The same information will be presented in each session.
