

PROVIDER ALERT

OMS DATAMART DEMONSTRATION

MAY 1, 2017

For individuals working in Local Addictions Authorities, Core Service Agencies, and Local Behavioral Health Authorities who are new to the Public Behavioral Health System (PBHS), the Behavioral Health Administration (BHA) and Systems Evaluation Center at the University of Maryland (SEC), in conjunction with Beacon Health Options (BHO), will conduct a series of webinars to offer assistance in “Navigating the Outcomes Measurement System (OMS) Datamart”. The first webinar will be held on Tuesday, May 23 at 10:00 AM. The webinar will be repeated for those unable to attend the first session on Tuesday, May 30 at 1:00 PM.

This is the second in a series of OMS webinars that will be continued in the coming months. The first in this series of webinars, “How to Administer the OMS Interview”, was held earlier this year and targeted to service providers. Additional webinars that will assist administrators in using OMS data are being planned for the near future. We look forward to your participation in the upcoming OMS webinars.
