

PROVIDER ALERT

SUD OMS DISCHARGE SERVICE CODE

JUNE 1, 2018

For those SUD providers completing the OMS discharge, the billing code 90889/HG (90889 with an "HG" modifier) is available for use. This is available for program types 50 and 32. The reimbursement rate is \$22.85. The service code has been retroactively added to the benefits plan.

The change is retroactive to January 1, 2015. For providers that have completed a discharge plan in their medical records, they can bill the department for this service. Providers have until July 13, 2018 to complete any old billing. After this time, the one-year timely filing rule will be back in place. Then only providers who submit the SUD discharge OMS are able to bill for this service code. Providers can submit a discharge if the SUD OMS discharge is within the 100-day time frame.
